The publication on June 30, 2006 Resolution No. R-06-377 of the City of Wichita, Kansas regarding the advisability of construction of Water Distribution System No. 448-90187, (East of 151st Street West, North of 13th) contained an error in Section 4. Section 4 should have read as follows:

SECTION 4. That the method of apportioning all costs of said improvements attributable to the improvement district to the owners of land liable for assessment therefore shall be on a **fractional** basis.

The fractional shares provided for herein have been determined on the basis of equal shares being assessed to lots or parcels of substantially comparable size and/or value: Lots 11 through 37, Block B, and Lots 38 through 49, Block C, BLACKSTONE ADDITION, shall each pay 1/39 of the total cost of the improvements.

In the event all or part of the lots or parcels in the improvement district are replatted before assessments have been levied, the assessments against the replatted area shall be recalculated on the basis of the method of assessment set forth therein. Where the ownership of a single lot is or may be divided into two or more parcels, the assessment to the lot so divided shall be assessed to each ownership or parcel on a square foot basis.
